### **The 17-day honeymoon in Africa**

This is for the just-married-deduction-takers out there: A honeymoon safari like Micato's doesn't come around that often. The [African Splendour](#) safari crosses four countries—South Africa, Zimbabwe, Tanzania, and Kenya—over 17 days, with wine tastings in Stellenbosch wine country outside Cape Town, a trip to Victoria Falls, and exceptional wildlife viewing through both the Serengeti and Maasai Mara, all while overnighing in top lodges such as the Four Seasons Safari Lodge in Serengeti National Park.
