By Jessica Silber

### **MICATO SAFARIS**

The five-day Tracking Majestic Mountain Gorillas itinerary in Rwanda begins with a tour of the capital, Kigali, before moving to the upscale Sabyinyo Silverback Lodge, where cottages look out on the Virunga volcanoes. Guests also have the chance to speak with former poachers who are now conservationists.

Customized packages year-round from \$3,185. Gorilla permits cost \$750 per person per day. (212) 545-7111, [micato.com](http://micato.com)
