

Best Gay Honeymoon Destinations

{Excerpted from a July 2012 article By **Adam H. Graham**}

Cape Town

South Africa is the lone African country that has banned gay discrimination and recognizes same-sex marriage. By turns rugged and urbane, Cape Town offers fine dining, scenic drives, surfing, penguins, and proximity to gorgeous wine country. It's also a sanctuary for LGBT travelers. Honeymooning guests of Cape Grace are treated to daily gifts like bottles of Stellenbosch bubbly and handmade chocolates. The hotel's online honeymoon registry allows friends and family to pay for the couple's activities ahead of time.

For guided tours with an extraordinary level of service, consider Micato Safaris.
